Project Title: Hogwarts School for Witchcraft and Wizardry

This website will act as a website for Hogwarts as if it were a real school. As a result, it will contain information about the grounds, student life, and the admissions process.

The pages will be split up as follows:

- **About** - Contains history of the school such as founding, and discusses the professors and teachers
- **Admission**
- **Directions** - How to get to the school and the Hogwarts express
- **Houses**
- **Student Life** - Daily activities, house points system, dining
- **Campus** - Castle and Grounds such as the Forbidden Forest, quidditch pitch etc.
